

e-Transfer Instructions

Dear friends and partners in ministry,

E-Transfer is a convenient and simple way to give, but due to charity regulations and tax receipting procedures, we require further information from you than what is provided in the e-transfer itself. **Prior to sending an e-transfer, please email finance.ca@om.org with your full name and mailing address (especially if we don't already have it), and any notes about your gift.** We will accept the e-transfer after making sure we have this information for your tax receipt.

You can set us up to receive an e-transfer using the following information:

- Name: Operation Mobilization Canada
- Language Preference: English
- Email: finance.ca@om.org
- Send Notices By: Email
- Security Question: Enter the phrase "For what?" (Or any other question, but keep the answer below the same.)*
- Security Answer: Missions

When you send the e-transfer, write your gift designation in the message box. Your tax receipt will be sent in the mail.

* If you prefer to use a different answer for the security question, you can let us know by phone at the number below, or include it when you email us.

Note: Your bank might charge a small service fee for sending an e-transfer.
