LIVE OUT  
**LOVE**

I remember someone praying to be in the “centre of God’s will” and thinking, “That may be lived out differently for different people!” We know that it is not God’s will that any should perish and this prompts us to dedicate time and other resources to sharing about Jesus. We know that we each have different skills and abilities. We recognise the blessing to be able to use these our gifts to share the good news of our Saviour. Operation Mobilisation has a network of people committed to being used by God to effect His redemption. People with a vision for redeemed lives, leave home and serve in far-away countries with little or no Christian witness. People who commit to joining local teams within the Caribbean to share the opportunities available for global missions and to facilitate our people’s ability to take up these opportunities. People who commit to praying for our ministry and to be financial partners.

We currently have 31 people from the Caribbean serving all over the world, in countries such as Sweden, Chile, Zambia, Ireland, Albania, Mauritius, and onboard OM’s book ship Logos Hope! We also have 23 people serving locally in countries across the Caribbean and remotely from other countries. Our missionaries are currently from countries all over the Caribbean • Aruba • Bahamas • Barbados • Cayman • Curacao • Haiti • Jamaica • St Lucia • St Vincent & the Grenadines • Trinidad & Tobago. We are so grateful for their service and look forward to working with you to build our capacity. It is all about His Love and His redemptive Mission prompting you and I to Move to be a part of global kingdom building.

Please be encouraged by the reports herein of God using Caribbean nationals to impact lives across the world. There is much more to be done, many more who have not heard. If you are wondering what is ‘your move’ or want to know more about OM or how you can begin partnering with us, please call or email any of our local offices.

A photograph of Jackie, a woman with short dark hair and glasses, wearing a red hoodie over a dark shirt. She is smiling and looking towards the camera. She is sitting at a desk with a keyboard and a mouse. In the background, there are blue curtains and some papers. A red banner with white text is overlaid on the bottom left of the image.

“I get excited when believers start to discover their worth in Christ, grow in faith, and find their purpose,” said Jackie, who manages the personnel and administrative teams in Jönköping, Sweden. Responsible for the training and development of OM staff, her passion is to help workers identify their role and use their skills.”

Sweden is one of the most secularised countries in the world. OM currently has several major missions in Sweden.

- Church Planting Ministry- Evangelism, discipleship, and church planting teams in areas with high immigrant populations
- Somali Ministries- Reaching out to the growing Somali community
- New Age Outreach- Creative efforts to share the good news with the New Age community

"We continue to see God's grace, in the midst of increasing Muslim activities in our region of Zambia. There are numerous challenges associated with taking the gospel into Muslim countries, but God in his sovereignty and wisdom, has decided to allow a growing number of Muslims to come along our pathways on a daily basis."

Though Zambia has been declared a Christian nation, a recent increase of immigrants has brought large groups of Hindus and Muslims to the country. OM in Zambia works to equip believers with discipleship and missions training and to mobilise the church for missions.

A background photograph showing a group of young people, likely students, outdoors in a park-like setting with trees. In the foreground, a young man with dark hair and a grey hoodie is looking down and smiling. To his right, a young woman with glasses and a brown sweater is smiling and looking at a small book or notebook. Another young woman with dark hair and a grey hoodie with green and purple stripes is also visible, looking towards the same book. The scene is bright and sunny, with green grass and trees in the background.

"The most amazing thing about this year's [Intensive Missions Training] students is that four of them will be going on to serve in long term missions! ... God is certainly doing some wonderful things within our training program [in Chile] and helping us to fulfill the vision of seeing more missionaries serving among the least reached." -Ingrid, Jamaica

Though the evangelical church in Chile is growing, support for world missions needs to mature to fulfil the church's sending potential. OM is working in Chile to:

- Evangelize- Working with at-risk children/teens, the homeless, and through creative and artistic evangelism in the plazas
- Mobilise- Engaging the church in global missions through church visits, presentations, and conferences
- Train Missionaries- Providing Intensive Missions Training programmes involving classroom teaching, real-world training, and evangelistic preparation

The Middle East field is vastly Muslim, with only very small percentages of the population who are evangelical Christian. Thus, in the Middle East, OM has huge ministry opportunities in many areas, including:

- Evangelism- Providing gospel literature, hospitality, and Discovery Bible Studies to invest in the community
- Church Planting- Sending teams to unreached communities and discipling future leaders of indigenous churches
- Mobilisation of the Arab Church- Providing resources and training for Arab believers to invest in ministry to Muslims and engage the community with the gospel

“Seeing the joy on people’s faces when they meet Jesus for the first time. That is the most satisfying thing for me when we share about Jesus,’ Daniel\* said.”

GLOBAL MISSION FUND

Through this fund, we make sure that there is a vibrant community of Jesus followers within reach of **EVERYONE, EVERYWHERE**. We are mobilising workers throughout the Caribbean, of all skill sets, and coordinating the efforts of local organisations and individuals to match with identified evangelistic initiatives and projects across the globe.

Abbie, Trinidad

Across the Caribbean, we are aiming to raise US\$95,600  
for the Global Mission Fund.
